SP0540 / 560 / 570 & 570N	Replacements 10" mounting dia.	All				X	X		X*		X*
SP0580's	Standard 9.375" mounting dia.	All						X		X	X
SP0590's	Spa (small) light	All							X		X

NOTE:

Models SP0502xx & SP0503xx are no longer UL listed. They are produced for replacement only.

Models SP501 & SP502 & SP503 utilize a bronze mounting rim (SP0503H)

Model SP0570N are replacements for the old 540, 560 & 570 series

* As of 2004, niches 600 will not accept 570 lights, because there is no place for the lower shoulder screw.

If a new niche is needed, replace niche & light fixture, using the 580 series lights.
